Survey for young people

Express views on their local area

Neighbourhood and Customer Services / Youth Service have created a survey for young people. This is to inform the area plans for the future and aims to give young people a voice in identifying their concerns in their local areas. Please support young people to access this online – it's only a short survey and would be easy to complete in youth work sessions if you have internet access. [Young People's Survey on Local Issues 2016-17](#) It would be good to get responses from young people who access voluntary sector led youth provision.

The new Police and Crime Plan 2016 – 2121 has just been launched. The [press release](#) is available on the PCC's website, together with a link to the new Plan.
