Transforming Early Intervention

YLB Forum

The next Young Lives Bradford networking forum will be on **Tuesday, 28th February**, 10 - 12.30 at Carlisle Business Centre. Judith Kirk, Deputy Director, Education Employment and Skills, Bradford Children Services will discuss key areas of work that she is leading on including work underway to look at transforming early intervention by 2020 and the Education Covenant.

This will also be a great opportunity to meet other groups delivering services for children, young people and families in the District and get the latest local strategic developments which may affect your service.
